

SURABAYA AKSE LITERASI

(Acceleration on Development of Reading and Writing)

Literacy become urgency, therefore let's move quickly

Your footsteps as the beginning

Now it is the time for us to collaborate and take part in literacy

Surabaya Akseliterasi is a cultural learning movement that aims to accelerate (acceleration) literacy and one of the methods to balance the technology and cultural literacy. Literacy is the ability to read and write and to produce society that capable to be creative, intelligent and has a positive character. Literacy becomes urgency because it can be a telling step towards an adept society; it believed to solve economic and social problems in the community.

Surabaya Akseliterasi is an innovative and creative collaboration between The National Archives and Library Agency of Surabaya (Barpus) with Jawa Pos as well as relevant stakeholders. There are four series of activities in Surabaya Akseliterasi, include one big event: Festival Budaya Pustaka (*Cultural Book Festival*) and the other three activities are competitions:

- (1) Kompetisi Kampung Literasi (Literacy Village Competition)
- (2) Kompetisi Pustakawan Berprestasi (Librarian Achievement Competition)
- (3) Kompetisi Orang Tua Peduli Pendidikan Anak (Concerned Parents on Children Education Competition)
- (4) Kompetisi Fasilitator Literasi Berkarya (Literacy Facilitator Competition).

This activity objects include the entire community in the city of Surabaya, the Librarian (either civil servants or non-civil servants), parents and facilitators of Kampung Literacy. In order to understand more about the movement of Surabaya Akseliterasi, the National Archives and Library Agency of Surabaya create Surabaya Akseliterasi handbook that specifically given to the entire people of Surabaya.
